ACCESS AGREEMENT

PROPERTY:

ROGER D & MARY E WITULSKI
4772 BALDWIN CT
DENVER, CO 80216

I will allow Environmental Protection Agency (EPA) staff and EPA's authorized representatives to have access to my property identified above for the purpose of collecting soil samples. I understand that this service is provided at no cost to me.

I understand that this soil testing is part of an investigation of possible metals contamination in soils in the north Denver area. EPA is conducting this investigation as part of its responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act, a law also referred to as "Superfund".

Phone Number

Please check the following if applicable:

☐ I would like EPA to provide me with a portion of the sample, called a "split sample," that I may have analyzed at my own expense.

If you have any questions, please contact Ted Fellman at (303) 312-6119, or Marta Valentine from the Morrison Knudsen Corporation (EPA's contractor) at (303) 948-4693.

Your Comments:

PLEASE SIGN AND RETURN THIS ACCESS AGREEMENT TO OUR CONTRACTOR IN THE ENCLOSED PREPAID ENVELOPE. Soil sampling will take about 1 hour. The owner or resident need not be present. If you would like to be notified when we plan to sample your property, please state so in the Comments section and provide your phone number. Also, pet owners are asked to provide a phone number so that if necessary we may schedule the sampling at a time when the pet will be indoors or restrained. Thank you for participating in this important study of your neighborhood.

NOTE: If you are not the current property owner, and you are not a renter who wishes to forward this request to the owner, please state so in the Comments section and return this agreement unsigned.

9		Siefke Comment	One Stihl weed eater plus gas can
		KES Comment	This item was disposed of as part of Yard 2 Disposal Items. Yard ID Y2—090. (This item was originally part of owner request for decon list. After negotiation this item was placed on and compensated for under Yard 2 Disposal Items. Owners have since indicated that this item should not have been on disposal list).
		Volpe Comment	Already apart of settlement. Clarification at meeting
		Discussion Notes	
10		Siefke Comment	Approximately 35' of Caragana bushes four years old planted about 18" apart, were torn out and removed
		KES Comment	We assume these bushes were in Yard Area 1. KES did damage some bushes located in the driveway entrance at the north side of the property. This is near the Shop. As the owners had indicated that they wished to continue to use the driveway, this issue was not addressed during site restoration. Please note that these bushes were not removed and may still come back in the spring. The bushes in this area were not 18" apart.
		Volpe Comment	Assessment in Spring. If necessary, government will replace.

		Discussion Notes	
23		Siefke Comment	(3 bees nest) One large nest semi-destroyed, one small nest missing
		KES Comment	Unable to comment. We remember one bee's nest being removed by the owners prior to the carpet removal. We are not sure where other two bee's nests were located.
		Volpe Comment	KES will purchase 1 for the Siefke's. The other 2 to be discussed at meeting with EPA & Siefke's
		Discussion Notes	
24		Siefke Comment	Rooms 1, 2, & 3 scratched into tops of door casing
		KES Comment	It is a common carpenter's trick to mark tops of doors and casings so that you can match them when doors are removed. The KES crew has told me that they marked doors with masking tape. I cannot speak for the carpet installers as they removed the doors as well. With your permission, we can sand out any marks on the tops of the door casings.
		Volpe Comment	Who looks at the tops of the door and casings? Government/KES can sand out marks
		Discussion Notes	
25		Siefke Comment	Set of 3 round cake pans assortes sizes, rusted severely
		KES Comment	We are not sure what condition cake pans were in prior to carpet removal. We did cleanup similar fry pans to appease owner. House IDs H-080 and H-285 shows that fry pans were rusty to begin with.
		Volpe Comment	To be discussed at meeting with EPA & Siefke's
		Discussion Notes	
26		Siefke Comment	Paneling splintered throughout the house from carpet and flooring removal. Needs to have baseboards put in to cover the damage.
		KES Comment	There was wood baseboard in the kitchen/ living room area. It was only partially installed around the room. At the owner request we did not reinstall after carpet removal. The owners showed me one small chip in the paneling at floor level. I could not tell if it was new or not.
